**PROBABLE CAUSE STATEMENT**

On March 1, 2008, a Border Patrol Agent apprehended the defendant identified as, Juan RODRIGUEZ-Cifuentes, for Illegal Entry into the United States, near Tecate, California. He was subsequently booked into San Diego Jail, on a state parole hold, for violation of Section 3056 of the California Penal Code, "VIOLATION OF PAROLE: FELON." A Border Patrol Agent determined him to be a citizen of Mexico and placed an Immigration detainer (Form I-247) pending his release from custody.

On July 31<sup>st</sup>, 2008, the defendant was referred from state custody to the custody of United States Immigration and Customs Enforcement at San Diego, California. Immigration computer database record checks and a review of the defendant's Alien Registration File identified him as a national of Mexico having been previously deported or removed from the United States. The defendant was most recently ordered deported or removed by an Immigration Judge on or about November 21, 1996, and removed to Mexico on November 22, 1996, via the San Ysidro, California, Port of Entry. Record checks further indicate that the defendant has not applied to the Attorney General of the United States or the Secretary of the Department of Homeland Security for permission to re-enter the United States.

The Automated Biometric Fingerprint Identification System (IDENT) was utilized and compared the defendant's fingerprints to those contained in this database. The results confirmed his identity as Juan RODRIGUEZ-Cifuentes, a citizen and national of Mexico. A photograph and a set of fingerprints contained within the official Alien Registration File were also reviewed and compared to the defendant, further confirming his identity.
